Guidelines for Inclusion or Removal

Basis for Inclusion in Guide:

The Transportation Services Guide is a listing of providers of specialized transportation, principally providing non-emergency medical transportation for qualified individuals who may be elderly, disabled or low-income, or a combination thereof. The listed providers constitute a network of transportation providers used by the Mobility Manager for the Richmond Area Agency on Aging (i.e., "Senior Connections), who have agreed to accept such referrals, and may participate in special arrangements such as vouchers for reduced fares. The listing will be updated periodically, and any providers interested in being included in this directory should contact Senior Connections to make their interest known:

Postal Mail:

Senior Connections,
The Capital Area Agency on Aging
24 East Cary Street
Richmond, VA 23219

Telephone:

Richmond area: (804) 672-4487 Toll Free: 1-800-989-2286

Email:

KLantz@youraaa.org

Basis for Removal from Guide:

Providers included in the Transportation Services Guide will be removed from the listing if they no longer are in business, fail to maintain acceptable standards of service, or fail to carry-out obligations under agreements or contracts, as determined by the Richmond area Mobility Manager. The Transportation Services Guide will be reviewed periodically by the Richmond area Mobility Manager in consultation with staff of the RRPDC, and any de-listing of an area transportation provider will be preceded by a notification delivered (if possible) to the affected provider(s), outlining the reason(s) for de-listing and providing an opportunity to respond.
