the Rt 33 realign intersection at Rt 54 project (UPC #18948). Remaining is \$62,300.													
(51) 5/17/07 through staff administrative action (based on city request on 3/5/07 and VDOT approval on 5/11/07), City's RSTP fund, \$300,000 in FY 06 was shifted from the Franklin St ramp improvement-relocation of 15th St project (#16577) to the Broad St bus lanes between 2nd St and 14th St project (#60964). Remaining FY 05 allocation for #16577 is \$104,000 (original \$404,000 - \$300,000) and FY 05 total allocation for #60964 is \$400,000 (original \$100,000 + \$300,000).													
(52) Based on Henrico County request on 11/11/07 and VDOT approval on 12/14/07, RSTP fund, \$174,000 in FY 01 was shifted from the Henrico County Three Chopt Road widen to 4-lane between Cox Rd and Gaskins Rd project (UPC #50529) to the Three Chopt Road widen to 4-lane between Barrington Hill Dr and Gaskins Rd project (UPC #50528) on 12/14/07.													
(53) Based on 4/10/08 MPO action, FY08 unallocated RSTP fund, \$138,457, was allocated for the Charles City Rt 607 reconstruction project (#8499).													
(54) 7/9/09 MPO action to shift \$3,860,000 (\$120,000 in FY99, \$100,000 in FY00, \$133,000 in FY01, \$15,000 in FY03, \$745,000 in FY05, \$1,659,700 in FY06, \$400,000 in FY07, and \$687,300 in FY08; Fed + match) from the Hanover Rt33 realign intersection of Rt 33 & Rt 54 project (#18948) to the Hanover Rt 360 widen from 4 to 6 & 8 lanes from Rt 295 to 0.2 MW Lee Davis Rd project (#17768).													
(55) 9/10/09 MPO action to allocate RSTP/ARRA-Stimulus funds \$20,848,262 to three projects: Rt 10 widening project (#80529, Chesterfield, \$10,055,062); Rt 250 widening project (#52448, Goochland, \$6,000,000); and Lewistown Road widening (#58920, Hanover, \$4,793,200).													
(56) 9/10/09 MPO action to shift \$2,591,700 (\$100,000 in FY 98, \$130,000 in FY 99, \$150,000 in FY 00, \$507,000 in FY 01, \$504,000 in FY 02, \$56,000 in FY 03, \$824,000 in FY 04, and \$320,700 in FY 05) from the Goochland County Rt 250 widening between Rt 623 and Rt 621 project (#52448) to the Hanover County Lewistown Rd/I-95 bridge replacement project (#90347).													
(57) 9/10/09 MPO action to shift \$4,692,900 (\$374,000 in FY 94, \$145,000 in FY 96, \$750,000 in FY 97, \$1,535,000 in FY 98, \$253,000 in FY 99, \$164,000 in FY 00, \$127,000 in FY 01, \$142,000 FY 02, \$777,000 in FY 03, and \$425,900 in FY 04) from the Hanover County I-95/Lewistown Rd interchange modification project (#58920) to the Hanover County Lewistown Rd/I-95 bridge replacement project (#90347).													
(58) On 3/26/10, based on Richmond request (1/5/10) and VDOT approval (2/26/10), \$3,500,000 (Fed + Match) RSTP fund (\$100,000 in FY00, \$200,000 in FY 01, \$150,000 in FY 04, \$150,000 in FY 05, \$250,000 in FY 06, \$200,000 in FY 07, \$1,500,000 in FY 08, and \$950,000 in FY 09) was shifted from the Jahnke Rd widening between Blakemore and Clearance St project (#19035) in the City of Richmond to the Forest Hill Ave widening between Hathway and Eject Powhite Pkwy project (#19036) in the City of Richmond.													
(59) 5/13/10 MPO action to allocate the FY09 unallocated RSTP funds balance, \$161,500, to the Forest Hill Avenue widen to 4 to 5 lanes project (#19036) in Richmond.													
(60) 5/13/10 MPO action to allocate the FY10 unallocated RSTP funds balance, \$1,268,888, to the Forest Hill Avenue widen to 4 to 5 lanes project (#19036) in Richmond.													
(61) 7/8/10 MPO action to add the GRTC bus replacement (8 buses) project (#19879) to TIP, with allocation of RSTP/ARRA Stimulus residual funds, \$3,120,000 (\$1,560,000 from the Goochland Rt 250 widening project-#94854 and \$1,560,000 from the Hanover Lewistown Rd intersection modification project - #94855).													
(62) Based on 7/8/10 MPO action and 7/15/10 VDOT e-mail, RSTP/ARRA Stimulus funds for three projects (#94854, #94855, #94857) were adjusted as follows: a). Shifted \$6,285 residual funds from the Goochland Rt 250 widening project (#94854) to the Chesterfield Rt 10 widening project (#94857). The final ARRA allocation for the Goochland Rt 250 project (#94854) is \$4,433,715 (\$6,000,000 original - \$1,560,000 to GRTC - \$6,285 to Rt 10 = \$4,433,715). b). Shifted \$23,468 residual funds from the Hanover Lewistown Rd intersection modification project (#94855) to the Chesterfield Rt 10 widening project (#94857). The final ARRA allocation of the Hanover Lewistown Rd project (#94855) is \$3,209,732 (\$4,793,200 original - \$1,560,000 to GRTC - \$23,468 to Rt 10 = \$3,209,732).													
(63) Based on 8/6/10 Tri-Cities MPO action, the RSTP/ARRA Stimulus residual fund, \$242,445, was allocated to the Rt 10 widening from I-95 to Ware Bottom Spring Rd project (#94857) in Chesterfield County.													
(64) 9/9/10 MPO action to reduce RSTP allocation on the Richmond traffic control & safety enhancement project (#70591) by \$299,169 (from \$924,673 to \$625,504), based on the 6/21/10 VDOT e-mail on negative balance entry (\$299,169). Accordingly, total FY 11 CTB allocation reduced by \$299,169 (from \$12,546,915 to \$12,247,746). MPO FY 11 total allocation was revised to \$12,247,746. (see footnote 65).													
(65) 9/9/10 MPO action to allocate \$299,169 FY 10 RSTP released allocations to the Richmond traffic control & safety enhancement project (#70591) to compensate the reduction of FY 11 RSTP funds for this project. Because total project allocations in FY 10 increased by \$299,169, MPO total allocations for FY 10 increased from \$11,986,780 to \$12,285,949. (see footnote 64).													
(66) 1/25/11: Based on VDOT PD-24 request (1/24/11) and Ashland staff's approval (1/25/11), RSTP fund (\$811,615) was shifted from the Ashland Hill Carter Pkwy at England St intersection improvement project (#14651) to the Ashland Rt 1/Rt 54 right turn lanes project (#13463).
