Performance Targets

State targets: Within one year of the DOT final rule on PMs, States are required to set performance targets for each measure. (May 18, 2018)

MPO targets: Within 180 days of States setting performance targets, MPOs are required to set targets for each measure (where applicable). (November 14, 2018)

Performance Targets

MPOs can:

commit to a quantifiable target for that performance measure for their metropolitan planning area;

or

agree to plan and program projects so that they contribute toward the accomplishment of the relevant State DOT target.

Recommendation and Next Steps

Recommendation – TAC recommend
Concurrence with asset condition and system
performance targets.
